Dear ones,

I trust that you had a wonderful and blessed holidays. Rose and I went to her aunts in Pennsylvania for Thanksgiving. it was good for Rose to be with her 94 year old aunt and the rest of the family. Like always there were lots of family members present for that special day and of course lots of good food. I had made two good home made apple pies. While there I had a Bible study with the girlfriend of Rose's cousin, named Candace Marie. For over an hour she looked at every verse that I quoted for her. She kept on saying " I did not know that. " Then she invited Rose and I to come to her house so we could continue the study in her home. The following day we went to her place and continued our Bible study. I told her about the Lord's Church and gave her all the information, also the preacher's name, and phone number. Since she is to move, she may start attending there. Later on that day I sent her a Bible correspondance course and am praying that she will obey the gospel soon.

Janet Price is a friend of sister Colette Chao who invited her to participate to our Sunday worship on Zoom. She was born in Wales, is married to a Tunisian man, pilot for Saudi Arabia Airlines., Being Muslim, he is extrimely hard with her and won't allow her anymore to participate to any Bible study. I send her Bible material so she can study for herself when he is not around.

Gary Deloach is the bank teller at our bank. When I first met him he spoke a few French words. When he found out that I am a missionary he began to show an interest because of things that I told him about the Bible. Since it was holidays I gave him a book about the Bible. He appreciated the gift and told me " That he would read it." The following time I went to the bank i asked him to give me his email address and that I would send him a free Bible course. He is wanting to learn more about the Bible so I told him "that I was available anytime to study the Bible with Him."

For holidays we went down to South Carolina at the Disney Hilton Island resort where our son and daughter in law invited us to spend five days vacation with them, our grandchildren, and my sister ! It was great, especially to be with our grandchildren altogether. After our time there we went to my sister's to spend Christmas together. I cooked some for my sister while there. On Sunday I taught the Bible class and preached for the Ellabell congregation since they planned to have a fellowship meal afterwards, we stayed for it. Rose and I took Chocolate truffles from France to share with everyone. From my sister's place to Newark Delaware it takes 12 hours so we decided to stop for the night and arrived safely home the next day.

I have been invited to teach some classes on Evangelism on Wednesday evening at Greenbank, without hesitation I said "Yes." While in Savannah I contacted the Haitian brother that wanted me to help him to start a French Bible School in Florida. After talking to him we mutually decided that I will be doing it by Zoom.

The Sunset International Bible Institute invited Rose and I to be honored for our so far 44 years of mission work in the French World ! It was a good surprise and we appreciate the invitation and the SIBI are taking care of all the expenses.

In regard to our support we have lost more and more support but we will continue on trusting tht God will provide. We want to thank all of you who are continuing to supporting us spiritually and financially.

It is our prayer that 2024 will be a blessed year for all of You.

In Him,

Roland
