

Days are delightful cause the Lord is busy saving souls. Simon Kumar graduated from the preacher school in Jan 2024. He is out there sharing salvation message.

He causes the hunger for His words in hearts. Sewing school students listening to the word of God.

24 sewing school students received certificate of completion. They were instantly recruited by a garment factory for jobs.

Rajian is used by the Lord in a big way. This man who worked for the telephone company put in an early retirement to spend full time leading people to the Lord. The Lord used him to establish 8 congregations. He and his wife donated their own land to build a church building. On the 6th April the 1000 seater auditorium was dedicated. On the dedication day it was a houseful and overflowing.

Nothing like a cup of clean drinking water. Nothing like the living water Jesus provides. Well dedicated on the 15th April. The villagers so full of joy for both the drinking water and the living water. Thanking God for their priceless smiles.

Stephen, the preacher there established two congregations and now working at the 3rd place.

Brighton Bible college students leading songs in the worship services.

The gospel to the people of Nepal on their new year's day. Moses (the

pharmacist) graduated from the preacher school and started a pharmacy in Birthamode, Nepal. He is used by the Lord in a great way. Established several congregations. Now his son joins him in part time preaching. His son too is a pharmacist. God be glorified.

Over the years they have trained many brethren to share the salvation message to others.
