GRATEFULLY BLESSED – WITH SHARING ETERNAL LIFE IN JESUS...

GRATEFULLY BLESSED – WITH SHARING ETERNAL LIFE IN JESUS...(L to R) Randy, Ilda, Mirabel, Luan, Ana

So gratefully blessed to have spent several months studying and sharing with one of the discipleship groups (see photo on Left) the essence of Eternal Life as revealed in the Divine Nature of Divine Love in Jesus and Our Father in the Gospel and Letters of John...what a tremendous blessing! As I understand, God the Father and Jesus live in a relationship of “Eternal Life”, in Their Divine Nature of Divine Love as Beloved Father and Beloved Son ...and They made us in Their Nature (Image) (Gn 1.26-27 & 1Jn 4.16...God is Love) to live that same nature and relationship with Them forever...and They bring us back into that Nature/Image “Eternal Life/Divine Love” and divine relationship of beloved Father and beloved children through Jesus at baptism as one of the initial expressions of TOTAL FAITH/TRUST In JESUS, HIS death for our sins and HIS resurrection for our justification/pardon... and at that moment God completely removes our sin (Acts 22.16) and sends the Spirit of His Son into our hearts which cries ABBA/FATHER (Gl. 3.26-27, 4.6)... which begins to

produce the Fruit of The Spirit in our hearts (Gl. 5.22-23) ...Love/Agape...which God is...His very essence/nature, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness and self-control.and from that moment on, the question is our learning to walk/live in harmony with the Spirit (Gl 5.16-18) ... choosing His will instead of that of the flesh... and in so doing, live and experience Eternal Life/The Fruit of The Spirit of Jesus and Our Father little by little, more and more each day... ...the Divine Nature of Jesus and Our Father...Their Spirit in us in a relationship of dearly beloved children with our Father who is Love (Ef. 5.1-2, 1 John 4.16) ...just as Jesus and Our Father have lived since eternity...One thing that is changing for me in the past years is that more and more I see that coming to have, and cultivate an ever-growing and ever-deepening TRUST/FAITH in Their Immeasurable love for us, is the soil/heart in which the fruit of the Spirit blooms and grows...the LOVE, JOY, PEACE... and relationship.... and a very important key to discovering and cultivating such a Faith/Trust in our hearts is through constantly praying, “Dear Jesus and Father, please help me to see and believe ever more in the Immeasurable love you have for me and for all! ...and along with that prayer daily meditating on passages that strengthen such a Faith/Trust in Them and Their Love...and then living the fruit of the Spirit that as a result blooms and grows in our heart...all of this coming about little by little through small steps each day. Again, so gratefully blessed to have grown in this knowledge even more through studying and sharing these truths in and related to the content of the gospel and letters of John with this precious discipleship group (Photo on Upper Left).

GRATEFULLY BLESSED TO SHARE... ...LIVING A RHYTHM OF LIFE THAT DRAWS US NEAR TO GOD AS DEARLY BELOVED CHILDREN (L to R) Kaué, Randy, Juan, Adriano, Bruno

GRATEFULLY BLESSED TO SHARE... ...LIVING A RHYTHM OF LIFE THAT DRAWS US NEAR TO GOD AS DEARLY BELOVED CHILDREN

At the end of January, I was greatly blessed to share teachings on a rhythm of life which draw us near to God as dearly beloved children with these dear brothers in the photo on the left and to have some precious time staying with Adriano and his family during this event as well (photo on right).

GRATEFULLY BLESSED WITH TIME WITH (L to R) Ben, Lia, Adriano & Karol

About a year before it was to take place, Adriano invited me to give a seminar, “The

Heart of The Worshipper” as the first discipline in his new work “ARCA” which is focused on preparing worship leaders... at that time, as he shared with me about this work, I shared with him that worship for God began to well up in my heart when I came to truly believe in His love for me. I am so thankful in that I see that this seminar captures that essence not only in that belief but also through principles and practices that focus on developing a rhythm of life that draw us near to God as dearly beloved children... ..these principles are so very dear to me and my heart, and seem to me to be the essence of Jesus’ life and ours with Him as His disciples. The seminar was four days long, the first three days having 2 sessions each day with each session being one hour of teaching, one hour of guided reflection and then sharing groups in which each participant was able to share what most impacted their heart in regard to the principles just mentioned... the last day being one session with the documentary, “Show Me The Father” and a time of sharing...I am so deeply thankful to have heard comments during our time together that made it apparent that prayers were being answered and that the seminar was being transformational in our relationship with God as dearly beloved children and our understanding of the great value of time alone with Jesus and Our Father in the way that Jesus valued and spent such time with Our Father... Luke 5.15-16

I especially rejoice in a message I received about a month later from Adriano which said...

**... Suas aulas ainda estão bem vivas em nossos alunos.
... Your classes are still very alive in our students.**

**...realmente causou uma transformação bem profunda neles
...it really caused a very deep transformation in them.**

I long and pray ever more be an instrument of Jesus and Our Loving Father and Their Love, Salvation and Transformation in the lives of as many as possible in this very way that helps them live a rhythm of life that draws them ever nearer to God as dearly beloved children, in, with and through JESUS and His gospel forever... heart to heart, home to home and in every way possible.

We are Ever-Thankful to Jesus and Our Loving Father for You All and Your Precious Prayers and Partnership Always, Randy, Angela, Davi & Celine
